## Continuing the Legacy of Jim McEntee

It was nearly two years ago that we gathered with our elected officials, interfaith and community leaders to dedicate a "Gathering Place for Peace" on the James P. McEntee, Sr. Plaza at the County Government Center. Since that time, the Friends of Human Relations of Santa Clara County/ Jim McEntee Legacy Committee has continued work to honor Jim McEntee's vision. For the past four years we have awarded one-to-two \$1000 scholarship(s) to a Santa Clara County community college graduate(s) transferring to a four year college or university to complete undergraduate studies. We look for applicants who have faced economic and social obstacles to continuing their education and who have also demonstrated their leadership through community service. For the 2012/13 academic year, we will award five \$1,000 scholarships. For further information and to download a scholarship application go to our website at [www.jimmcenteelegacy.org](http://www.jimmcenteelegacy.org).
